Plan your perfect reception with us

Outdoor receptions can be lovely, but planning one raises many concerns. Will it be rainy or scorching? How are we keeping the bugs away? Is there a kitchen available? Will the people in the back be able to hear?

The SiMT can ease all of those concerns. We can't control the weather, but we can provide a space that makes it a non-issue. Whether you are envisioning a formal affair or a laid-back gathering for your special day – we have the space and experience to make it happen.

If you'd like more information about how our experienced staff can tailor our services to meet your needs, call Anna Lane at (843) 413-2710.
